PEDESTAL, FLOOR MOUNTED WITH FIXATIONS

WEIGHT OF PEDESTAL: 9.8kg
PEDESTAL WIDTH: 175mm
PEDESTAL HEIGHT: 630mm

The Universal is a floor mounted pedestal.

UNIVERSAL PEDESTAL INSTALLATION GUIDE:

1. Mark the position of the basin on the wall.
2. Screw the basin to the wall or hang it on the brackets depending on the type.
3. Connect the supply pipes to the taps.
4. Fit the trap to the basin waste.
5. The pedestal must be fitted under the basin to cover the plumbing at the end.

Then tighten basin fixation bolts last.
