The Delux Courier basin is a wall-hung basin, with floor mounted pedestal.

DELUX COURIER BASIN & PEDESTAL INSTALLATION GUIDE:

1. Mark the position of the basin on the wall.
2. Screw the basin to the wall or hang it on the brackets depending on the type.
3. Connect the supply pipes to the taps.
4. Fit the trap to the basin waste.
5. The pedestal must be fitted under the basin to cover the plumbing at the end.

Then tighten basin fixation bolts last.
