

CNS 100 Trend M (ZA)

CONVECTORS

PRODUCT-NO.: 204504

Convenient warmth exactly where you need it

Do you want pleasant temperatures in very specific places in your home? In addition to your central heating? Then this practical wall mounted convector is the heater for you. Its slimline design makes it very easy to integrate.

Effective resistance to the cold

The slimline appliance is very robust and can therefore withstand even the chaos and commotion of everyday life. An integrated frost protection function precludes heating system failures due to low temperatures.

The main features

Compact wall mounted convector, ideal as an auxiliary heater or interim heater in spring/autumn

Extremely slimline design
